K&A INDUSTRIES
IDENTITY MANAGEMENT
We do ID right.

Receive a FREE CONSULTATION to help you choose the ideal products for your needs.

In today's world, PIV credentials have become standard for VA facilities, but the responsibility of printing them and buying accessories to secure and display them has fallen to staff unfamiliar with the process.

Let K&A make it easy for you—we offer experience, personalized service, and full line of shielded badge holders and ID accessories!

CUSTOM VA **BADGE REELS**

Printing & Displaying Credentials

VA facilities often find it challenging to keep up with all the ID accessories needed to secure and display their employee's PIV credentials. From secure badge holders, lanyards, badge reels and hang tags for role recognition, to printer ribbons used to print the PIV credentials — it's almost impossible to keep it all straight.

K&A Industries has been helping the VA with their identity management needs for over 15 years. We will recommend the right accessories and hang tags for your specific needs, design custom imprints, and even supply printer ribbons required to print your IDs.

We are your ONE SOURCE for VA Identity Management.

Credential Badge Hang Tags Custom Designed for Each Client

Simply place the Credential Hang Tag behind your existing PIV Credential and clip into place with your badge clip, lanyard or reel. The large color-coded information can be seen from a distance allowing instant recognition for staff and volunteers.

No minimum order requirements.

Fully customizable and extremely durable!

Designed to work with your existing PIV Credential shielded badge holder.

Customizable on one or both sides, in multiple colors, and any size.

Product is .030 mil thick and virtually indestructible.

Manufactured from durable synthetic Teslin material with Polyester PET laminate.

Completely waterproof and tear resistant and covered by a 13 month unconditional warranty.

Fast turnaround, 15 day production time frame from date of print proof approval.

Military Service Recognition Tags

Show your patriotism by recognizing the men and women who have served in the military! Recognition hang tags can be custom printed to include the military branch insignia, purple heart award, branch of service name or VETERAN designation in any color combination including red, white and blue patriotic text.

Provide instant role recognition or your staff and volunteers.

K&A INDUSTRIES WILL **HAVE YOUR VA FACILITY BADGED IN NO TIME.**

K&A Industries has the experience, personalized service, and quality ID accessories to assist you through the entire process of issuing, securing, and displaying your VA facility's PIV credentials.

We've heard it many times from customers who thought they could save money if they took it upon themselves to handle their PIV credential badging process. They search the internet to find the different parts and products and try to piece together the various aspects of badging. Only to finally give up and come to us overwhelmed or confused and looking for help—and now, they're up against the clock.

So, the solution is simple: choose K&A to be your VA partner in all things credential-related from design to production to delivery.

Step 1:
EXPERT ADVICE
A short Q&A with you to understand your needs and recommend the ideal products.

Step 2:
CLIENT REVIEW
Review our suggestions and quote, refine or approve the order for your VA facility.

Step 3:
FEEL SECURE
Secure and display your VA PIV Credentials with our accurate and fast delivery.

We know the products that are right for you based upon years of experience supporting VA clients throughout the USA.

We never charge any set-up fees or credit card fees, and our prices include freight and delivery. We maintain your order history so reordering is quick and easy. We treat orders as mission critical and as such we stock large quanities for quick turnaround times, and we ensure accurate orders and timely shipping even amidst events that may cause delays.

It means so much to us at K&A to be able to play a small part in helping the VA continue to make a difference in the lives of veterans every day.
