

Credential Hang Tags

Specializing in Identity Products
for the Healthcare Market

Provide Instant Role
Recognition For Your
Staff & Volunteers

Provide instant role recognition for your staff. Simply place the Credential Hang Tag behind your existing identification badge and clip into place with your badge clip, lanyard or reel. The large color-coded information can be seen from a distance allowing instant recognition of staff and volunteers.

- Designed to work with your existing hospital issued identification badge.
- Customizable on one or both sides, in multiple colors, and any size.
- Manufactured from synthetic Teslin material with Polyester PET laminate creating a .030 mil thick, one piece fused product that is virtually indestructible.
- Completely waterproof and tear resistant and covered by a 13 month unconditional warranty.
- No minimum order requirements.
- Fast turnaround - 15 day production time frame from date of print proof approval.
