

# Custom Emergency Code / Response Tags

Specializing in Identity Products to Keep Your Facility Secure

## Facility Critical Information is Now Easily Accessible to Your Staff & Volunteers

In today's security climate, emergency preparedness and response is more important now than ever. Virtually any facility critical information can be custom printed on one side or both, in one color or many, in any size required. Our hang tags can be custom designed to include information such as:

- Emergency Codes
- Disruptive Behavior Response Procedures
- Terrorism Response
- RACE and PASS Procedures
- Evacuation Procedures
- Emergency Exit Building Maps
- Housekeeping Information
- Needle Stick Information
- Mission Statements
